

## Supporting Evidence

You are required to bring some evidence of your training, experience and aptitude in the workplace, which supports the skills you demonstrate in the practical assessment.

All references/witness testimonies, rigging plots must be signed and dated by a responsible person (e.g. supervisor/manager) and must include their contact details to be acceptable. Please do not ask an NRC Assessor to provide the witness testimony or endorsement for you.

<b>EVIDENCE</b>	
Record of Employment	A form is enclosed - record your employment to date and details of any projects you have worked on.
Witness Testimony	A form is enclosed - have it completed by witnesses with relevant knowledge and experience - no more than 2 witnesses should be used.
PPE Inspection Record	Bring your PPE Inspection Record, signed by a competent person and valid for 12 months. Pages 116 -120 of the NRC Handbook highlights good practice and correct use of PFPS.
Record of Thorough Examination (RTE)	An RTE is needed for any other personal lifting equipment (ref. LOLER). Templates can be downloaded at <a href="http://www.plasa.org/pd/qualifications/nrcdocumenttemplates/">www.plasa.org/pd/qualifications/nrcdocumenttemplates/</a>
